2 • Verify Your Details

Check that your name, father's/husband's name, age, address, and photo are correct. Make corrections if needed.

3 • Sign and Submit

Sign the form and return it to the BLO. Make sure to collect the **acknowledgement receipt**.

4 • Check Your Name in the Draft Roll

After July 21, confirm your name appears in the Draft Roll. If missing, apply before August 20.

For those already on the electoral roll: You only need to submit the Enumeration Form and your electoral roll extract. **No additional documents are required.**

How to submit online?

COMMON PROBLEMS & SOLUTIONS

What to Do If You Face Difficulties?

House was locked when BLO visited Name may be marked "not residing"	Contact the BLO and submit the completed form, or submit online at voters.eci.gov.in.
Away from home for studies or work May be incorrectly marked as "permanently relocated"	Submit your local address proof and Enumeration Form. Confirm you are an ordinary resident of that constituency.
Did not receive the form / BLO didn't visit	Call 1950 helpline, or visit the BLO/ERO office. You can also access and submit the form online.
Name / address spelling is incorrect	Correct it on the form to match your documents. You can also correct it during the Draft Roll stage.
Name deleted from the roll after SIR	Don't panic. Re-add your name via Form 6. Apply at voters.eci.gov.in and save the reference number.
Name appears in two places	Only one entry will be kept. Request to retain your name in the constituency where you reside, and delete the other.
Important: Before removing a name from the electoral roll, a notice is generally issued and you are given the opportunity to respond or object. This is why checking the Draft Roll is crucial. For the exact procedure, contact 1950 or voters.eci.gov.in.	

Important Points

- ✓ **SIR is NOT NRC.** It is only an electoral roll revision. It has no connection to citizenship.
